SEEING IS BELIEVING
AND YOU'LL FIND PLENTY
OF REASONS TO BUY

WHY YOU NEED

Solid 16

1. High-end craftsmanship, within your budget.
2. ATM2980KG/ Tare Mass 2250KG/ Ball weight 180kg, give you true 700 kg + payload.
3. High Quality FRP+XPS+FRP insulated wall and roof, Strong and Sealed
4. 480mm ground clearance for your superior wading and departure.
5. Perfect Weight distribution, we don't need anti-swing system.
6. 900ah plus battery and 800w solar, off-grid, that's it!
7. Massive storage , inside 1300 wide huge cabinet and multiple upper cabinets. Outside dual slid out and dual big open storage closet. Which can match your 700kg+ payload.
